**REQUEST FOR EXPRESSIONS OF INTEREST
(CONSULTING SERVICES – FIRMS SELECTION)**

Country: Federal Democratic Republic of Ethiopia (FDRE)

Name of Project: North OPGW Restoration Project

Assignment Title: Consultancy Service to Conduct Environmental and Social Management Plan /ESMP/ for North OPGW Restoration Project.

Reference No. EEP/FP-3/REOI/01/2026

The Federal Democratic Republic of Ethiopia /Client/ intends to modernize and expand the transmission system to ensure a reliable and sustainable electricity supply. EEP has allocated a budget to cover the Environmental, Social, Health and Safety (ESHS) activities and the deployment works, including the subsequent live-line OPGW installation scope and committed to conduct the required Environmental and Social Management Plan (ESMP) for North OPGW Restoration Project as per the proclamation No. 1371/2025.

The consulting firm (“the consultant”) undertakes an Environmental and Social Management Plan (ESMP) study for the North OPGW Restoration Project. The consulting firm will be responsible for conducting a comprehensive ESMP study for all identified project sites in accordance with national regulations and applicable international environmental and social standards.

Overall, the scope of the required consultancy service is to conduct ESMP studies in order to make the projects environmentally and socially acceptable. It is the responsibility of the consultant to ensure the project complies with the country’s legal guidelines and the AFD environmental and social standards policies and requirements; identifying gaps in compliance, if any.

The detailed Terms of Reference (TOR) for the assignment can be obtained from the following website: www.eep.com.et or can be obtained at the address given below.

The Ethiopian Electric Power (EEP) now invites eligible consulting firms (“Consultants”) to indicate their interest in providing the Services. Interested Consultants should provide
